THE JOURNAL

The journal

Bulletin of Medical Sciences (ISSN: 2304-2354) is a peer-reviewed journal published on behalf of the University of Medicine, Tirana.

Aims and Scope

Bulletin of Medical Sciences enables time-pressured physician to stay abreast of key advances and opinion in biomedical science in order to support clinicians and related healthcare professionals in continuously developing their knowledge, effectiveness and productivity. The journal comprises balanced and comprehensive articles, addressing the most important and salient development in the biomedical science.

Structure and Format

Bulletin of Medical Sciences is a quarterly journal comprises editorials, reviews, original articles, case reports, short report, ideas and opinions, book reviews, perspectives, seminars, symposium and mini-symposium, ethics and rights, health care policy and management, practice guides, and CME quizzes. The structure of each edition of the publication comprises section categories determined by Editor and reflects the views of the Editorial Board.

Editorial Expertise

Guidance from an Editorial Board consists of leading authorities from a variety and respective fields of biomedical science. Peer review is conducted by experts appointed for their experience and knowledge of a specific topic.

Important notice for Author

All manuscripts must be submitted to the Editorial Office by electronic mail (E-mail: redaksiafm@yahoo.com). Please check the last page of each edition ————— “Instruction for Author “. The work shall not be published elsewhere in any language without the written consent of the Bulletin of Medical Sciences. The articles published in this journal are protected by copyright, which cover translation rights and the exclusive right to reproduce and distribute all of the articles printed in the journal. No material published in the journal may be stored on microfilm or videocassettes or in electronic databases and the like or reproduced photographically without the prior written permission of the Bulletin of Medical Sciences.

Permissions

For information on how to request permissions to reproduce articles/informations from this journal, please contact the Editorial Office.

Advertising policies

The journal accepts display and classified advertising. Frequency discounts and special position are available. The journal reserves the right to reject any advertisement considered unsuitable according to the set policies of the journal. The appearance of advertising or product information in the various sections in the journal does not constitute an endorsement or approval by the journal and/or its publisher of the quality or value of the said product or of claims made for it by its manufacturer.

Disclaimer

The information and opinions presented in the Journal reflects the views of the author and not of the Journal, its Editorial Board or the Publisher. Publication does not constitute endorsement by the journal.

Subscriptions

The Bulletin of Medical Sciences is published four times a year and is available on subscription. For further information contact Editorial Office.
